

An AAHA Accredited Veterinary Hospital

## STANDARD PUPPY VISIT

### Full Body Exam \$46.00

Our doctors will perform a full comprehensive exam, from the tip of the nose to the tip of the tail.

\*an exam is required for vaccinations

### Intestinal Parasite Screening \$23.50

Our stool samples are shipped overnight to our outside laboratory, IDEXX Laboratories. They have the capability to detect 70% more than we can with an in-house test.

### Rabies Vaccine (given at 16 week visit) \$13.50

Vaccination for Rabies is legally required by the State of Louisiana once every 3 years. Although Rabies is not as common as it was years ago, we want our stars to remain protected!

\*puppies require a 1 year booster

### DHPP Vaccine (given at 6 & 9 weeks) \$14.95 – 17.95\*

This vaccine protects against four different diseases, including Distemper, Hepatitis, Parvo Virus, and Parainfluenza.

\*Leptospirosis added at 12 & 16 weeks

### Bordetella Vaccine (given at 12 week visit) \$16.95

Bordetella is an intra-nasal vaccination that is given every 6 months. It helps protect against three of the common causes of “kennel cough.”

### Bivalent Influenza Vaccine (given at 9 & 12 weeks) \$35.95\*

The Bivalent Canine Influenza Vaccine protects against two strains of Canine Flu – H3N2 and H3N8. \*This vaccine is required for boarding and bathing, but otherwise optional.

**Total for Standard Fees \$84.45 – 153.85**

## “Star”ting Out

Puppy visits are a very important time for you and your new puppy. You are bonding, getting to know one another, and you want nothing but the best for your little star. Let us help you start your puppy out right, with our puppy visit regimen.

## OPTIONAL SERVICES

(check if yes)

### Pawdicure (nail trim) \$13.50 ( )

Our trained staff will clip your puppy’s nails and can show you the proper way to trim nails at home if you wish to learn.

### Anal Gland Expression \$15.25 ( )

Anal glands are small sacs just inside the anus. They fill with a putrid liquid that if not expressed, can cause an abscess. Some dogs need their glands expressed more often than others. Our staff can express your puppy’s anal glands if needed.

### Ear Clean \$13.50 ( )

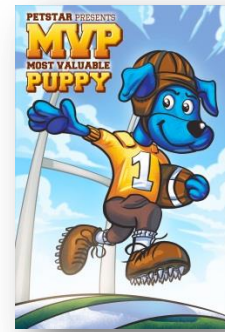

Some puppies, especially those with long floppy ears, will retain dirt and debris in their ears. Some puppies have hair that grows in their ear canals. Our staff can remove excessive ear hair, and also clean the ears with a safe, non-abrasive ear cleaner.

### HydroSurge Bath \$21.00 – 37.50 ( )

Let us bathe your puppy with our HydroSurge bathing system, which dispenses a moisturizing shampoo along with water and oxygen to ensure the cleanest clean, all the way to the skin! \*price varies by weight

### Bag of Royal Canin Food ask for price ( )

Royal Canin Veterinary Diets are the top-of-the-line when it comes to providing optimal nutrition for your pet. Ask our staff what food is best for your puppy!

### Pet ID Card

**\$4.25 ( )**

A pet ID card is great to have when traveling, booking boarding reservations, and can also serve as a reminder of when your pet is due to see us again! The ID card contains your pet’s information, photo, proof of vaccines and due dates, important medical information, and emergency contact information. The pet ID card will arrive at your house in 2-3 weeks.

### Home Again Microchip

**\$55.00 ( )**

A Home Again Microchip is the best way to provide permanent identification for your pet. The chip is inserted via syringe, and each chip has its own unique number to identify your pet. If your pet ever wanders off and is taken to either a shelter or veterinary clinic, your pet’s number will show up on the microchip scanner and we can much more easily get your pet back home again. Our price also includes the first year of enrollment through HomeAgain.

\*can be done more comfortably at time of spay or neuter

### Heartworm/Flea Prevention

**ask for price**

Type: Trifexis ( ) Advantage Multi ( ) ProHeart6 ( )

\*ProHeart only at 16 week visit, at veterinarian’s approval

\*you may purchase in bulk once your puppy reaches adult weight
